Photographer: Tripodski

Hey! Welcome to Elite, what was it like to work with Tripodski on this shoot? He is amazing! He's a really easy-going guy to work with and is as creative as you would hope a photographer to be. He has a really good eye and awesome artistic side. His banter really helped to keep the shoot fun along with his soulful singing to my favourite Motown tunes.

What was your favourite part of the shoot? Honestly, I enjoyed it all. It was really fun to shoot with the guys and have a laugh while doing so.

What's your favourite part of your body and why? I don't really have a favourite part of my body. I get a lot of comments on my hair, but I would probably have to say my best feature would have to be my big brown eyes.

What's your favourite item of clothing? Ah well I have so many. So to break it down, anything comfy. I'm a 'hair up, trackies on' kind of girl. I love a fresh pair of kicks too. I'm pretty simply with clothes really.

How did you come to become a model? Well it kind of just happened really. When I was 22 I became part of a girl band and we had to do regular shoots. From that I joined several different agencies for work (mainly acting, tv, music videos etc) and I needed to have a strong portfolio built to represent myself. I never really enjoyed modelling but you have to keep your photos updated for work within the arts. I soon began to enjoy the modelling and loved the response I would get from my newest shots. So now, I do it more than performing.

What's your favourite song currently? I just love this song but I'm not sure who it is by. It's called "let's Marvin Gaye and get it on". It's been stuck in my head for about 3 weeks.

If you could be any animal, what would you be? I'd have to be an elephant. They're just beautiful! They are definitely my favourite animal. Big but little softies.

Photographer: Tripodski

DESCRIBE YOUR PERFECT PHOTOSHOOT: I'D LOVE TO FLY SOMEWHERE EXOTIC WHERE THE SAND IS WHITE AND THE SEA IS CLEAR, AND FIND A NATURAL WATERFALL TO SHOOT IN. THAT WOULD BE AMAZING!

If you could work with any photographer and any model who would it be with? I'd love to shoot with Dmitriy Pluysnin. He is super talented I adore his work. As for a model, I'm gonna throw Ruby Rose out there. Obviously because she is insanely hot and my new woman crush, and probably every other womans out there.

What do you like most about Elite? Definitely how easy going and super chilled they are. They get things done and let you be as involved as you wish with the whole process. I felt our shoot was totally a team effort In regards to outfits, ideas etc. I'm 100% going to back to work with them.

PHOTOGRAPHER: TRIPODSKI

FINALLY, IS THERE ANYTHING YOU WOULD LIKE TO SAY TO THE ELITE READERS? JUST THAT I HOPE YOU ENJOY MY IMAGES AND GETTING TO KNOW ME. OH AND THANKS FOR CHECKING ME OUT. @MISSELLIOTTE MWAH XX

Eden

Hey Eden! Welcome to Elite, tell us a bit about yourself: Hi! Thank you for having me! I've wanted to be in Elite for ages! What do you want to know? I am a UK alterntaive model from London, but I now live in Peterborough near Cambridge. I currently have bright green hair, and look like the love child of the Joker! Haha. When people first meet me they think I am quiet, but when I start to feel comfortable, trust me shit gets weird! My sense of humor is quite dry and quite offensive so I just stay quiet... untill I've had a drink!

What was it like to work with Jack on this shoot? I've wanted to work with Jack for a long time! He's a lovely guy and makes you feel so comfortable! Jack wanted to capture me completely different to anything I've done before and I think he's nailed it to be honest! I'm so pleased with the results!

What was your favourite part of the shoot? Just the whole thing really! He takes time to get to know you and puts a lot of thought into every shot! Plus he has a cat and shes a beauty!

How did you come to become a model? I helped a friends sister who owns a latex company. She saw me on Facebook and asked if she could take some pics. I had absolutly no idea what I was doing but I had so much fun and I wanted to see how far I could go so I just started contacting photographers and building a portfolio. I didn't really know what I was doing, but I was so eager to learn and just kinda went from there really.

If you could be any animal, what would you be? A cat! I love cats! I'd be a cat queen and sleep all day in a crown! Or... a unicorn so I could stab idiots with my horn!

Describe your perfect photoshoot: Anything dark and sexy! I love black latex and 10 inch heels! I test shot for Bizarre before they closed and it was awesome! Anything latex and weird crawling on the ground rubbing cake into myself! I don't get to do enough dark weird shoots but I'm trying to do more!

Photographer: Jack Russell

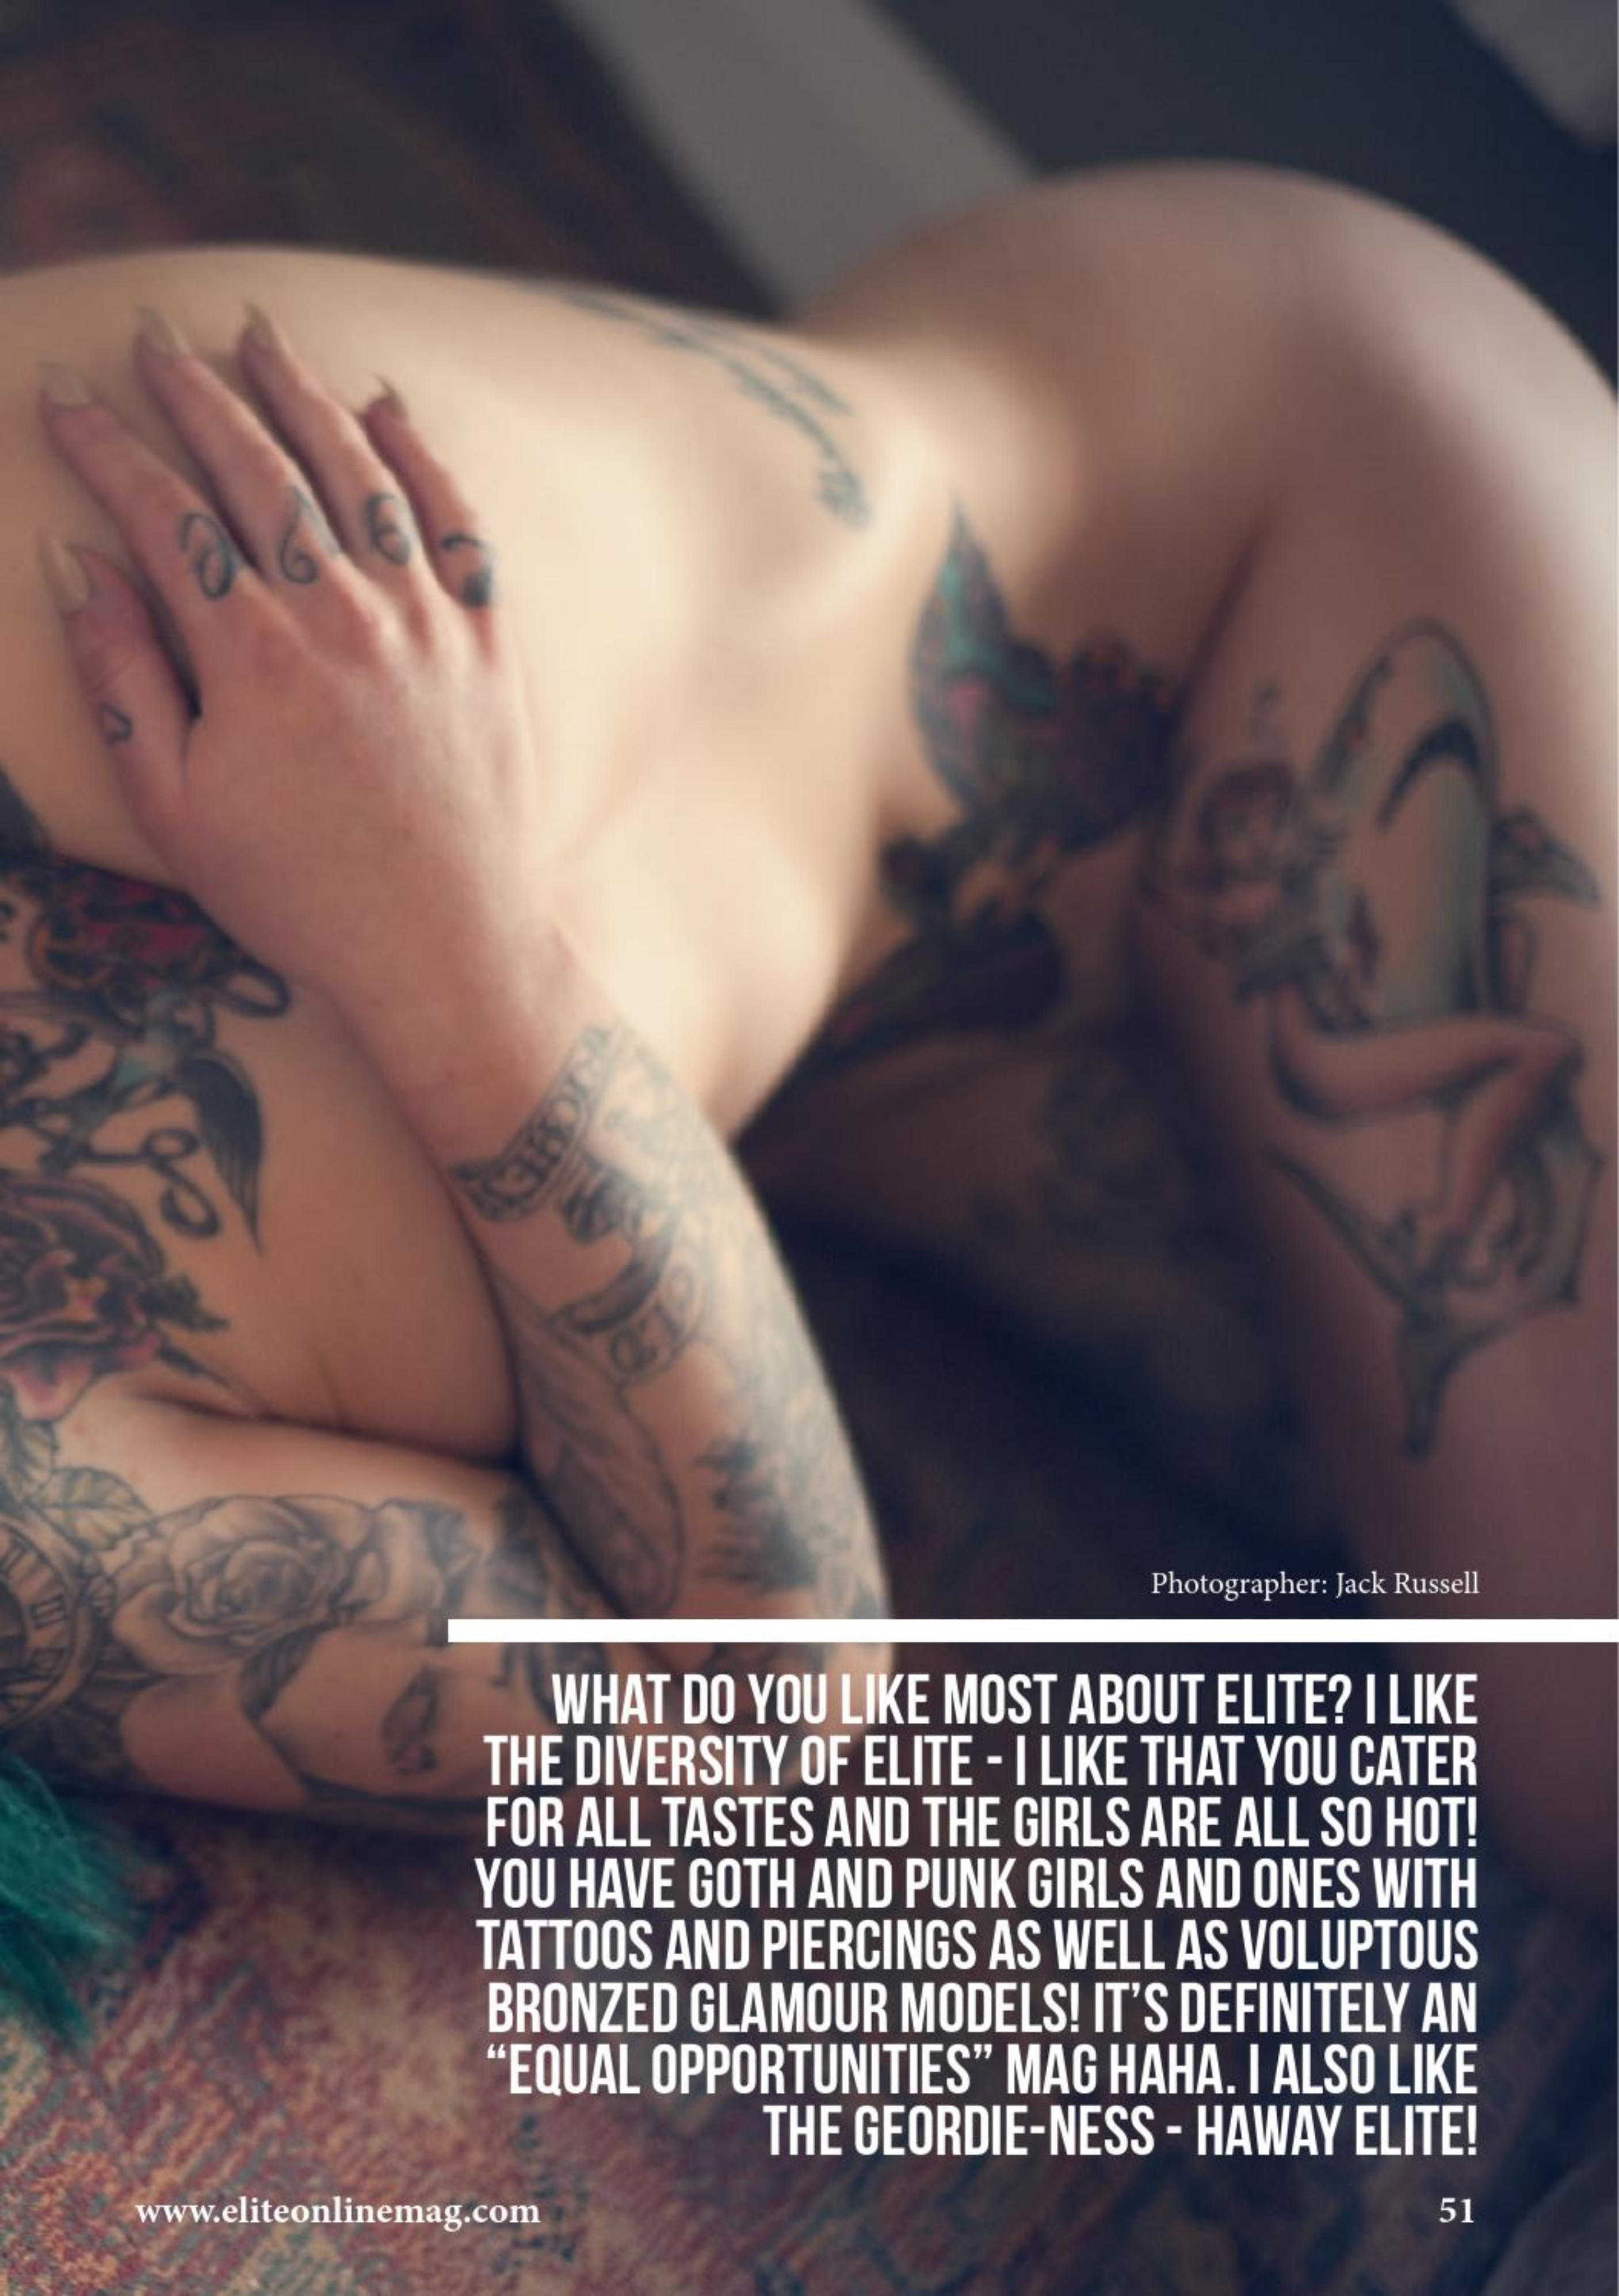

What's your favourite part of your body and why? I've always struggled with body confidence and it's only really in the last few years I'm learning to love myself and just accept what life has given me.

Why modelling? I'm in my third year of modelling so I am still fairly new to this industry! I started this to give myself some confidence, and I wanted to be one of those bad ass chicks on the covers of the tattoo magazines! I have tried to push this as far as I can and I know I have so much more to give! I feel I have come quite far in such a short space of time, but there is still so much more I want to achieve! I want world domination!

WHAT'S YOUR
FAVOURITE SONG
CURRENTLY? IN THE
CHARTS? CHART
MUSIC IS TERRIBLE!
HAHA.

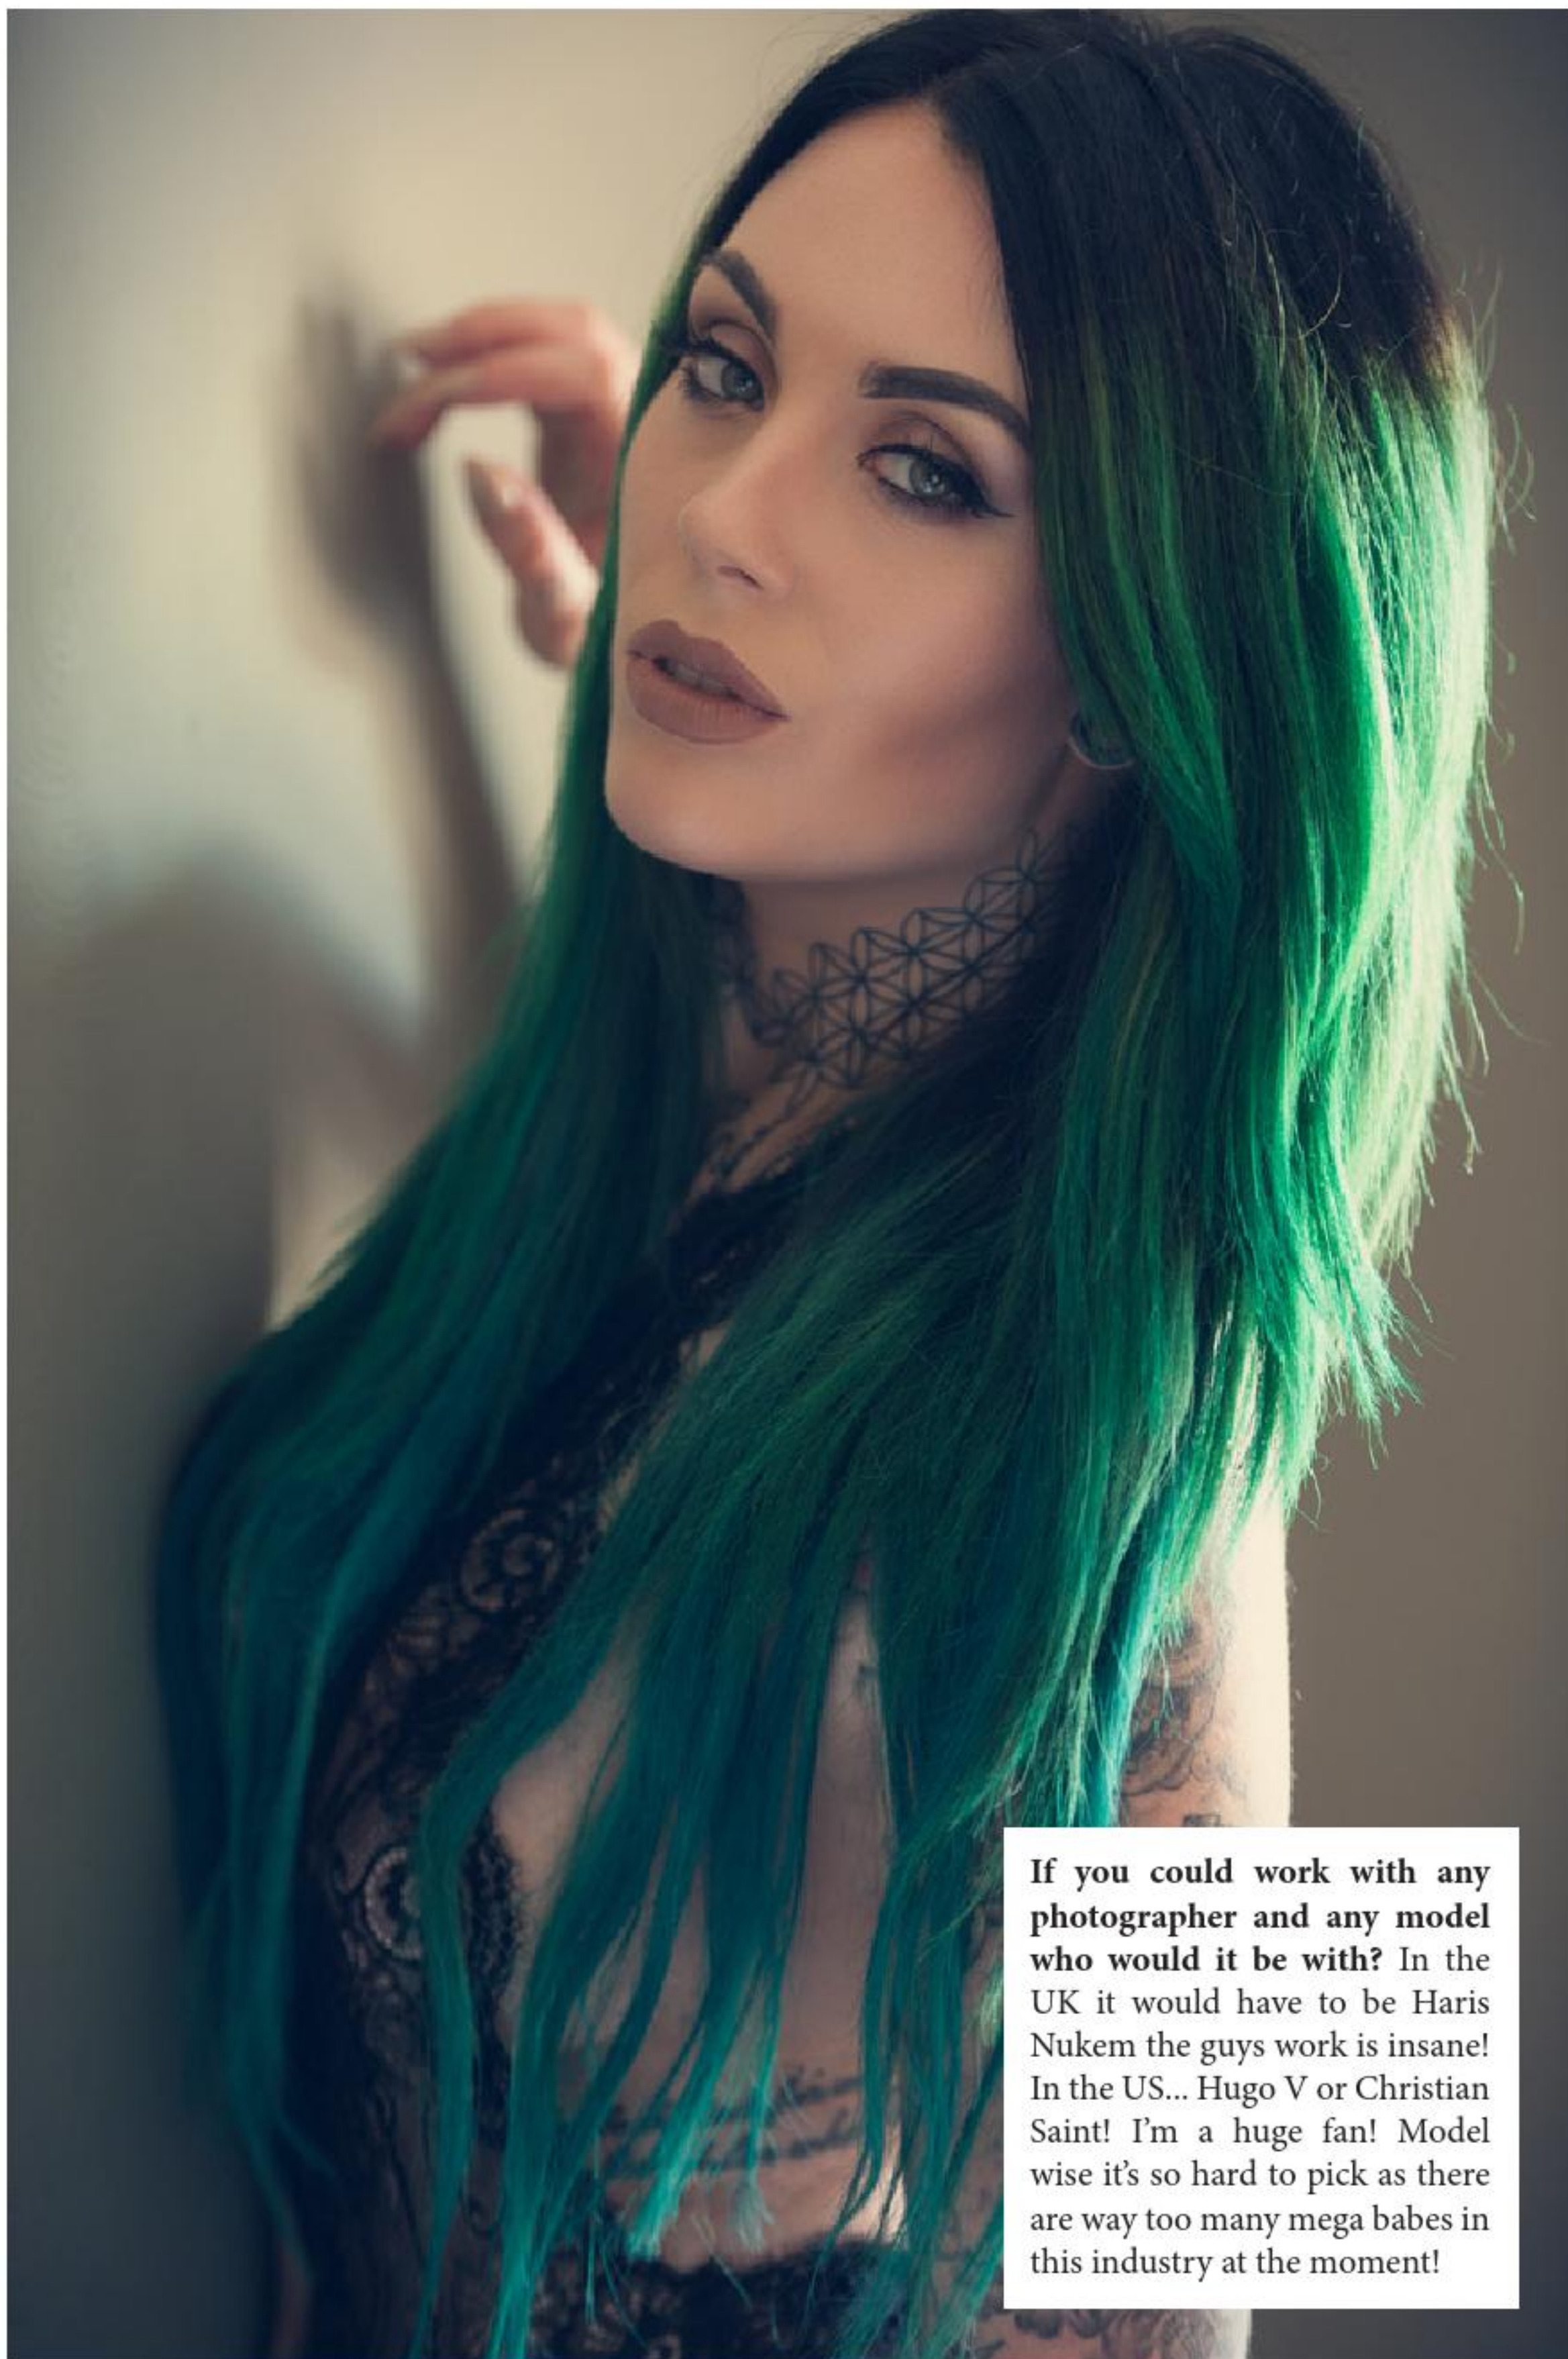

Photographer: Jack Russell

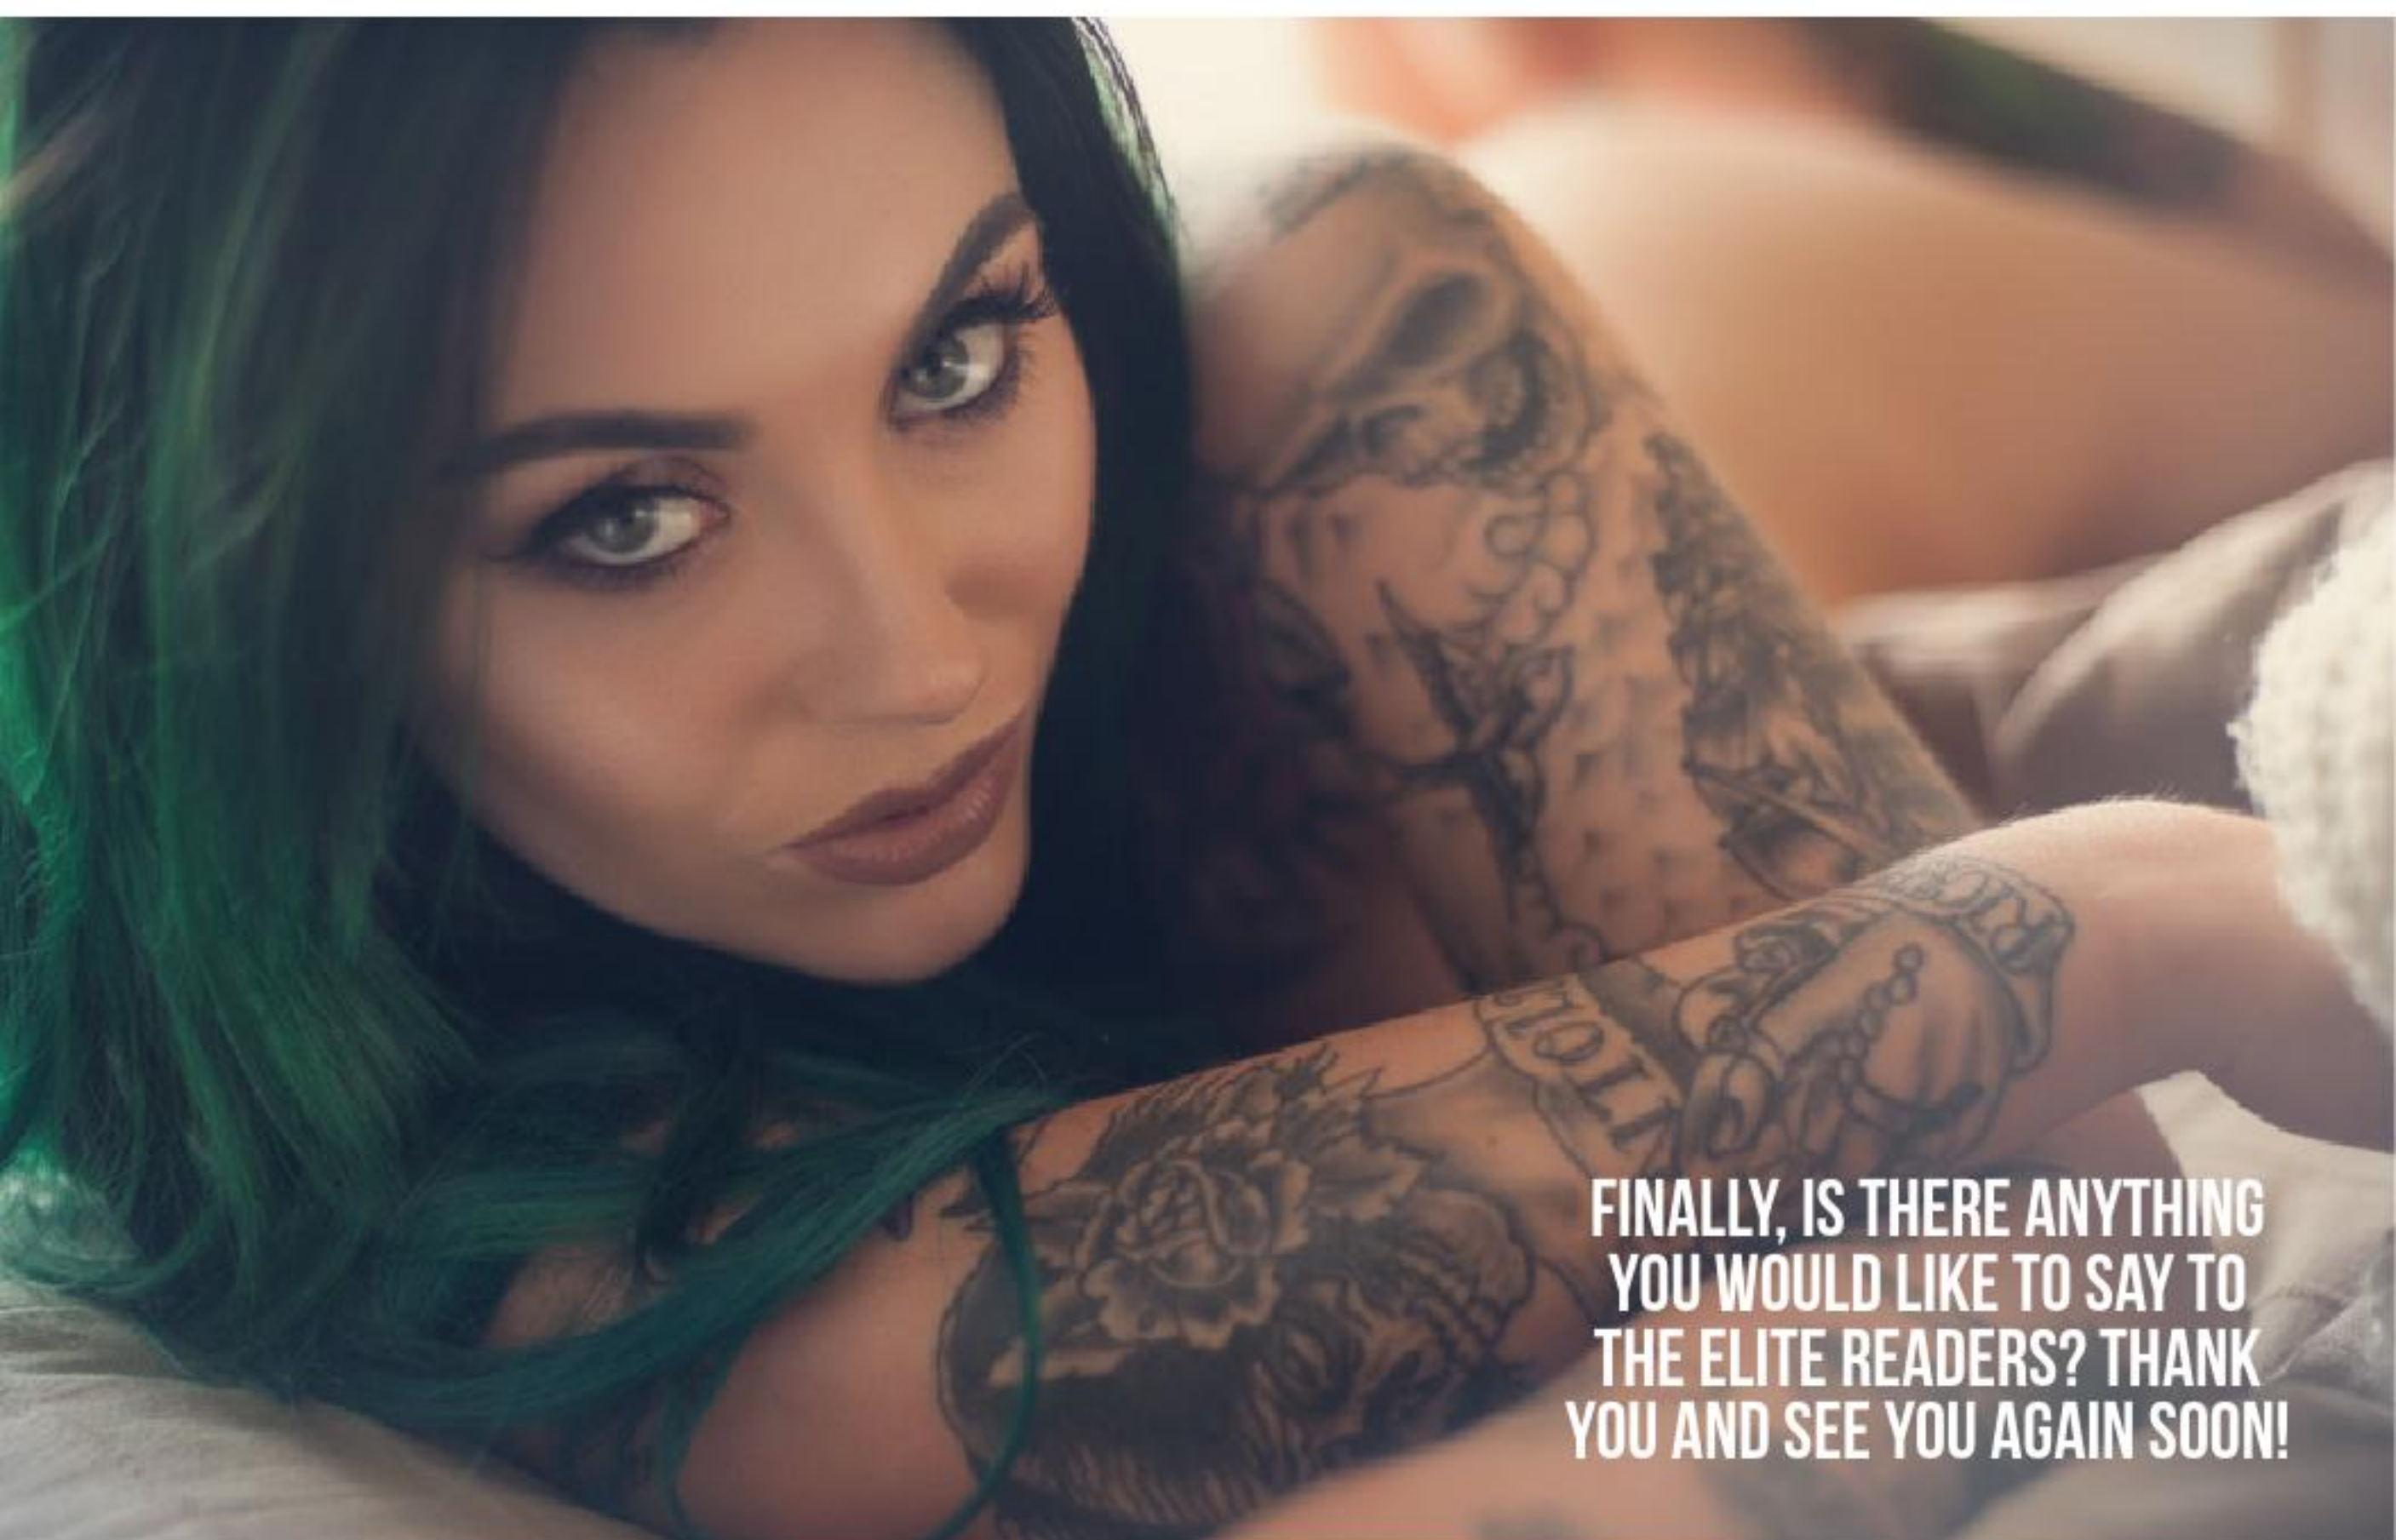

WHAT DO YOU LIKE MOST ABOUT ELITE? I LIKE THE DIVERSITY OF ELITE - I LIKE THAT YOU CATER FOR ALL TASTES AND THE GIRLS ARE ALL SO HOT! YOU HAVE GOTH AND PUNK GIRLS AND ONES WITH TATTOOS AND PIERCINGS AS WELL AS VOLUPTUOUS BRONZED GLAMOUR MODELS! IT'S DEFINITELY AN "EQUAL OPPORTUNITIES" MAG HAHA. I ALSO LIKE THE GEORDIE-NESS - HAWAY ELITE!

If you could work with any photographer and any model who would it be with? In the UK it would have to be Haris Nukem the guys work is insane! In the US... Hugo V or Christian Saint! I'm a huge fan! Model wise it's so hard to pick as there are way too many mega babes in this industry at the moment!

Hey Romanie! Welcome to Elite, tell us a bit about yourself: Hey, thanks for having me :) My name is Romanie (yes it's my real name), I'm 20 and an internationally published model. I've been modelling professional for almost 2 years.

What was it like to work with Jack Russell on this shoot? Aww I love Jack, we get on really well. He's super relaxed, so working with him on any shoot is a pleasure.

What was your favourite part of the shoot? The part when Jack feeds me Chinese food and vodka... and the fact that I get to cuddle Jesus, the prettiest kitty ever and my cat's sister!

What is it like to be on the cover of Elite? AWESOME, thank you so much, it's always such an honour to be on a cover, yay!

What is your nickname and where does it come from? Haha... you've asked me this, because you know! My nickname is poo face/head/bum but generally poo... so many people call me this. Even my 2 year old niece calls me Auntie Poo. I think it's because I've always called other people poo face, but the tables have turned and I guess it's as they say 'shit sticks'.

Photographer: Jack Russell

What's your favourite part of your body and why? Well it's definitely NOT my feet, I hate feet with a passion! Hmm... probably my eyes, it's what most people compliment me on.

What's your favourite item of clothing? I don't really have a favourite item of clothing, I LOVE IT ALL, how can a girl pick... I love lingerie and SOCKS, anyone that knows me.. knows I wear socks ALL THE TIME, I hate feet, mine yours, everyones! Even dogs and cats should wear them haha.

How did you come to become a model?

I was asked to test for a local photographer, I wasn't working at the time so thought why not, it's just been a whirlwind ever since, I love my job.

PHOTOGRAPHER: JACK RUSSELL

Why modelling? It wasn't my intended career choice, but I love every second of it. I've met some amazing people, I have some fantastic sponsors who send me beautiful lingerie, shoes, make up, clothing etc. I get other people to pamper me and make me look glamorous, it's enabled me to travel, what's not to love? Who doesn't love feeling like a Princess...

Describe your perfect photoshoot. The best shoots are one's which involves a great team, I'm so lucky, I've made so many good friends in this industry, when I go to shoots, it's not like work at all. A perfect shoot is one which involves a lot of chat and laughter.

If you could work with any photographer and any model who would it be with? I've been really lucky to work with some amazing people on both sides of the camera. I'd love to shoot with Ellen von Unwerth, Tatiana Gerasova or Rankin all are just amazing photographers.... Models... ALL OF THEM <3 So many great girls out there.

What do you like most about Elite? I love the interviews, it's always good to get an insight into the girls featured and the team of course <3 I love you lot.

PHOTOGRAPHER: MERMAIDIUM

CHARLI LOUISE COLLIER

HEY CHARLI! WELCOME TO ELITE, WHAT WAS IT LIKE TO WORK WITH MERMAIDIUM ON THIS SHOOT? IT'S ALWAYS AN INTERESTING EXPERIENCE WHEN YOU MEET A PHOTOGRAPHER AND KNOW THAT THEY'RE SOON GOING TO SEE YOU COMPLETELY BUTT NAKED BUT HE WAS REALLY CHILL AND RELAXED ABOUT THE WHOLE THING. I'VE NEVER LAUGHED SO MUCH IN MY ENTIRE LIFE.

What was your favourite part of the shoot? Definitely the wet look we did. Although getting water dumped on your head and freezing your tits off (literally) doesn't sound like fun, I was laughing the whole way through.

What's your favourite part of your body and why? I like my figure. I'm actually only 5'2 so I am very petite, I'm a tiny, tiny little lady.

What's your favourite item of clothing? I have a vintage Tommy Hilfiger bikini which is my absolute new favourite, when I am actually wearing clothes I adore a simple, street style with lots of layers.

Why modelling? As a terribly insecure person, it is a wonderful way to make yourself feel okay with your appearance and gain some confidence in who you are.

How did you come to become a model? It was an accident really, a photographer offered to take some shots of me when I was 16 and I obliged, since then I've been doing it as a part-time hobby.

WHAT'S A GUARANTEED TURN ON FOR YOU? I HATE TO BE A MASSIVE CLICHE BUT HONESTY. BE HONEST WITH ME AND I MAY DIVE ON YOU. ALTHOUGH IF NOT THEN A DECENT HAIRCUT, GOOD STYLE AND SMOULDERING EYES. I'M ALSO A SUCKER FOR NOSE PIERCINGS.

PHOTOGRAPHER: MERMAIDIUM

What's your favourite song currently? Don't Lean on Me by The Amity Affliction. Lord, it does things to me.

If you could be any animal, what would you be? I would be a male lion. Laze around all day, have your pick of the bitches, dinner made every night. Sorted.

Describe your perfect photoshoot: I would love to have free roam in LA and shoot all over town. Rooftops, beach, street, bars. Spend a whole week doing it, ultimate freedom and sunshine.

If you could work with any photographer and any model who would it be with? I would absolutely love to model with Sara Fabel. She's so beautiful it kills me. I would date/marry her immediately if I have the chance.

What do you like most about Elite? I love that it features the hottest alternative girls around and that everyone is so genuine. Best alt magazine ever.

FINALLY, IS THERE ANYTHING YOU WOULD LIKE TO SAY TO THE ELITE READERS? I'D LIKE TO ADMIT A SECRET TO EVERYONE. IT'S THAT I PLAY WORLD OF WARCRAFT REGULARLY, AND I HAVE A LEVEL 100 BLOOD ELF PRIEST. THANK GOD I GOT THAT OFF MY CHEST. PEACE OUT.

MELROSE CARR

Hey! Welcome to Elite, tell us a bit about yourself: Aloha! I'm Melrose Carr, a self-employed cosmetic tattooist at Colour & Motion creative tattoo and I also hand-make stellar synthetic dreads at IG @ WarLillyDreads.

In my spare time i die for target shooting my bow, 'Beau' and shoot hoops at the trampoline park... I mean... UNICORNS... That's what chicks are supposed to dig right? Haha.

What was it like to work with Tripodski on this shoot? What a DUDE! It was stellar working with Tripodski, I felt completely at ease and we even got to listen to some reggae!

What was your favourite part of the shoot? I had a hella cool experience throughout the shoot entirely! Nothing but good vibes and an awesome collective, what could be better?

What's your favourite item of clothing? I believe that being naked is one of the most natural things a human body can be... Would my 'birthday suit' count? Haha.

How did you come to become a model? I just fell into it! I live for art and creativity, that's what photography and modelling is! The limitations in your art is only in yourself.

**WHY MODELLING?
WHY NOT BE THE
ART IN A PAINTING?**

What's your favourite song currently? Currently a cover I requested of Bon Jovi - Dead Or Alive by Tempa Falls. They slayed it!

If you could be any animal, what would you be? Does a mermaid count or is that only half an answer? Haha.

Describe your perfect photoshoot: My perfect shoot would probably involve me being some kind of body painted elemental nymph haha or even some kind of badass native Indian warrior!

If you could work with any photographer and any model who would it be with? Definitely Scott Cole. I love his images, I've been a silent fan for I think 5 years. Like you know when it was 'cool' to change your computer desktop background? It was his work. I think it still is a chick in heels sat in a bucket haha... Jade Fenix would be my model choice to work with, she fucking SLAYS! That front piece too though B A D A S S.

What do you like most about Elite? I love that it's online and so easy to access, with the hottest alternative honeys and everyone behind it all are super professional and mega sweet peeps!

What's your favourite part of your body and why? My butt, straight up, no pun intended! I guess it reminds me of my Jamaican heritage among an eclectic mix of heritage. In other words I have my Mamá to thank for my ghetto booty... Mahalo Mamá!

Finally, is there anything you would like to say to the Elite Readers? I'm so stoked to be featured in Elite! Mahalo for reading Dudes and Betty's! Grow brave by your own reflection.

Hey Sammie! Welcome to Elite, tell us a bit about yourself: I've recently returned from Cancun, where I was in a Swimsuit centrefold and reality show and contest. It was so much fun and gave me a taste of what I want to do going forward. I would certainly like to do more television it was so much fun. My passion alongside modelling is music, I sing and write my own music.

What was it like to work with Tripodski on this shoot? Working with Tripodski was awesome! He is such lovely guy, very grounded and makes you feel right at ease from the get go. He is very creative and gives excellent direction, but also open and encouraging to your ideas. I had so much fun and can't wait to work with him again!

If you could work with any photographer and any model who would it be with? I'm a little bit in love with David LaChapelle's photography. He is so unique, contemporary and a little obscure in many ways, very pop art but energetic and frisky! Love his style.

What do you like most about Elite? Apart from Elite being the best online magazine in the world, with amazing features and super hot chicks, what I love most is the team! Fraser who owns the magazine is so cool and awesome with a great personality and sense of humour! I can't wait to arrange another shoot at their studio soon. People like Fraser and the Elite team are what makes shooting so much more fun! :)

A woman with long, dark, curly hair is posing in a doorway. She is seen from the back, looking over her shoulder. She is wearing a black lace thong, black thigh-high stockings with gold garters, and black high-heeled shoes with red soles. The background shows a bright outdoor area with greenery and a brick building.

Hey! Welcome to Elite, tell us a bit about yourself: Hey, thanks. Hmm, I'm a busy bee. I work two jobs and I'm in university full time. I study psychology. My dog is my best friend, me and him live on our own together. I'm a very active person.

What was it like to work with Mermaidium on this shoot? Ah, Dale is such a good guy! We had a great laugh together and we bounce off each other really well. He's a top guy and I already have plans to shoot with him again.

What was your favourite part of the shoot? Mainly how comfortable I felt, and prancing around in my underwear is always fun.

What's your favourite part of your body and why? I'm gonna say my tummy because it has my favourite tattoo on it, I love my wise owl!

WHY MODELLING? IT GIVES ME CONFIDENCE WITHOUT ARROGANCE. IT'S ALSO A CHANCE TO BE SOMEONE DIFFERENT.

**WHAT'S YOUR FAVOURITE ITEM
OF CLOTHING? SOCKS, I LOVE

How did you come to become a model? I have Jo Evans (Scribbles) to thank really, she took me under her wing a year ago and taught me everything I know! I owe her big time.

What's your favourite song currently? Ugh I hate this question, I'm too indecisive and listen to too much variety of music! The song that means the most to me though is Spanish Sahara by Foals.

If you could be any animal, what would you be? A little piggie, I love pigs.

Describe your perfect photoshoot: Lots of cake, lots of girls, outdoors.

If you could work with any photographer and any model who would it be with? I'd love to work with Rach Notonix, she's amazing. And I love Jack Russell's work. There's a lot of models and photographers I want to work with, I have only been modelling for a year.

What do you like most about Elite? Every girl is FIT!

Finally, is there anything you would like to say to the Elite Readers? Thank you. The people at Elite are lovely! Also, pretty please check out my twitter and instagram @aanastasiaj

LOCO DOLLS X CHAOS DOLLS UNITED TO FORM THE DOLLS UK

Hey ! Tell us about the Loco Dolls and how they came about: Well Becky runs a tattoo studio 'Loco Tattoo Lounge' and wanted to have a group of hot tattooed chicks to be her brand ambassadors! Becky chose a few ladies from the modelling industry and some of them were also part of Terri's fire performing group 'Chaos Dolls' So basically the Loco Dolls are club hosts and the Chaos Dolls are performers. So we decided to team up and make 'The Dolls UK'.

What has been your best experience together so far? We did a big group shoot at the Loco Tattoo Lounge and it was such a fun day! Lots of naked tattooed ladies running around, what better way to spend the day!

ANNALIEZA

What was your favourite part of the shoot? I think when Becky, Mercedes and Terri all shot together! It was a really cool shot and they all worked really well together!

Out of all the girls if you could create a perfect girl using a body part of each who would have what? I think Hannah's face, Mercedes bum, Terries hair, Annalieza' figure, Ashleas boobs and Sarah's gorgeous smile would be the ultimate dream woman!

What would you say the style of your group is? We are all fairly different in terms of dress sense! Some of us are kind of a rock chick, some are girly and some are more ladish tom boys! We like to mix it up really.

What's your favourite song to perform to? We love to perform to Rihannas 'Bitch better have my money'.

Describe your perfect performance: We're performing at Tattoo Jam this year and we have started rehearsing! It's going to be one hell of a show! I know that one will be the perfect performance!

What do you like most about Elite? They have the best girls obviously! It's a diverse mag. You got your alt girls and your skater chicks and your tattooed girls and then your natural beauties! By far the best mag out there!
